

CARE *in* MOTION

Ronald McDonald
House Charities®
Atlanta

Keeping families close™

2017 ANNUAL REPORT

MESSAGE FROM OUR PRESIDENT & CEO

Opening our 31-bedroom Ronald McDonald House near Children's at Egleston was a significant milestone which became the catalyst for our 2020 strategy: a 5-year strategic plan to lead Atlanta Ronald McDonald House Charities into a future where our services and programs extend to families of sick children beyond our two Ronald McDonald Houses.

Setting our 2020 Strategy into motion led to a collaboration with Children's Healthcare of Atlanta in which we identified opportunities to deliver services to meet the needs of the local community.

Research showed that Asthma is the top reason children are admitted to the ER. To address this issue, the Ronald McDonald Care Mobile was created to build stronger and healthier families by increasing access to asthma care. The mission of the Ronald McDonald Care Mobile is to bring asthma care to children where they live, learn, and play.

The Ronald McDonald Care Mobile travels to schools throughout metro Atlanta and the Children's asthma team works with families and school nurses to address asthma and other medical needs, so students can be healthier and more able to learn. We are excited to bring this new program to children in our local community who are challenged with this chronic illness.

Our Houses served a record 2,208 families in 2016. Your continued support will ensure a brighter future for years to come for the thousands of children and families who rely on on ARMHC's programs.

Sincerely,

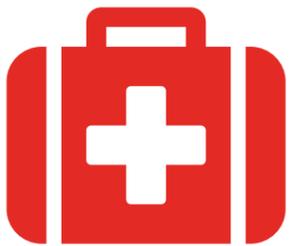

Beth Howell
President & CEO

Inside the Ronald McDonald Care Mobile®

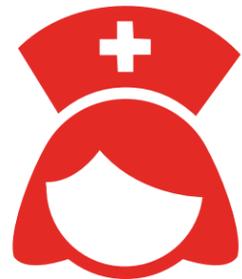

Construction took more than 6 months

There are 2 Exam Rooms

This Care Mobile is the 49th unit in the world

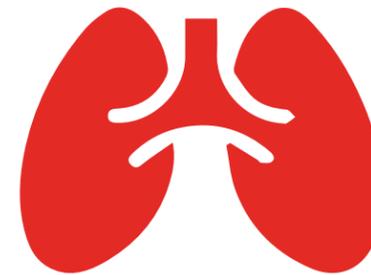

The Care Mobile team includes a pediatric nurse practitioner and a registered nurse

The Care Mobile provides asthma care and education at schools in the Atlanta Public School system

The unit can be used for routine sick visits as well

The unit features a pulmonary function lab

Children's
Healthcare of Atlanta

The Care Mobile is a joint venture with Children's Healthcare of Atlanta

RMHC
Atlanta

Seed funding provided by The Goizueta Foundation

Atlanta Ronald McDonald House Charities and Children's Healthcare of Atlanta at Hughes Spalding

have collaborated to create stronger and healthier families by increasing access to asthma care. We want to help children gain control of their asthma so they can get back to the business of being a kid.

The Ronald McDonald Care Mobile is a fully functioning medical clinic.

Services include:

- Asthma screenings
- Ongoing medical care for children with asthma
- Continuing asthma education to students and families
- Routine sick visits (sore throat, ear ache, etc.)

Bringing asthma care to children where they live, learn, and play.
