Keeping families close™

Our 2019 Impact

Serving 3,518 families through our Ronald McDonald Houses, Ronald McDonald Family Room & Ronald McDonald Care Mobile

Meet some of our families and volunteers

Ronald McDonald Family Room

“Whether it was for extra space, a midnight snack or a hot meal, the Family Room was always ready and available. That made it easier for me to stay with and take care of Amber without having to worry about how I was going to take care of myself.”

— **Tia Holt**, mom of Amber, who used the Family Room during her daughter’s cancer treatment

Ronald McDonald Houses

“Staying at the Ronald McDonald House near Scottish Rite has removed a burden off my family. ... I’ve made a lot of friends here that I will have for a lifetime, because the families who are here with you become your family as well. We are blessed to have the Ronald McDonald House.”

— **The Tyrchas**, Parents to Dalton, 18, from Ormond Beach, Florida

Dalton and his Dad

Ronald McDonald Care Mobile

“The Ronald McDonald Care Mobile is a saving grace to me because I don’t have to leave work to make sure Aaron has regular check-ups. I don’t have to miss work, and he doesn’t have to miss school.”

— **Alicia Johnson**, mom to Aaron, 6, who uses the Care Mobile at Usher-Collier Elementary School

Family Meal Program Volunteers

“Putting ourselves in the families’ place, we realize how comforting it is to have a delicious home cooked meal when they are going through all their challenges.”

— **Mary Stockstill**, leader of the Novelis meal group who cooks for our families at the Ronald McDonald House near Scottish Rite
