Our 2021 Impact

Serving 3,617 families through our Ronald McDonald Houses, Ronald McDonald Family Room and Ronald McDonald Care Mobile

Meet some of our families and friends

Ronald McDonald Care Mobile

"We loved partnering with the Ronald McDonald Care Mobile to bring sports physicals, immunizations and health screenings to kids at our McDonald's locations. It was an excellent way to serve families in our community."

—**Rachel Mitchell**, McDonald's Owner/Operator, who partnered with Atlanta RMHC to bring the Ronald McDonald Care Mobile to **15** area McDonald's to serve **72** children in their communities.

Ronald McDonald Houses

"Honestly, we wouldn't have been able to successfully complete his treatment without the Ronald McDonald House. It made a huge difference."

—**Chelsea Pope**, from Gay, Georgia, who with her son, **Aden Womack**, 5, stayed with us at our Ronald McDonald House near Eggleston.

Ronald McDonald Family Room

"During our hospital stay, the Ronald McDonald Family Room was a huge sense of support. The volunteers and meals provided a lot of comfort during a trying time. It was an experience we'll never forget and had a profound impact on our family. We were excited at the opportunity to give back."

—**Stacie Stewart**, and her husband, Atlanta RMHC Board Member **Cory Stewart**, raised **\$1,500** to provide meal gift cards and stock the Family Room pantry.

Volunteers

"I love Atlanta RMHC because all of the volunteers are so supportive and everyone works so hard to keep the children distracted and happy in tough times."

—**Brooks Nuckols**, a member of our Teen Council and dedicated volunteer, adopted **100** families for one night with a school award.
