FEBRUARY 2021

Hi volunteers! Take a look at what's going on at the Atlanta Ronald McDonald Houses and Family Room.

Hunter, now 5, is in the PICU at Egleston with gastrointestinal bleeding. He has needed multiple transfusions in the 46 days he has been in the hospital. During COVID-19 alone, they have stayed with us for 99 nights, both in the hotels and at our House near Egleston. Hunter and big sister Sofia Kruger on Christmas Day. The hospital allowed Sofia to visit Hunter. It was the first time she has seen her little brother in more than 90 days.

Fun Fact Alert

According to Hallmark, a whopping 145 million Valentine's Day cards are exchanged every February 14 (and that's not even including all those kids' valentines exchanged in classrooms!). This makes Valentine's Day the second biggest holiday for exchanging greeting cards, after Christmas.
