WINTER VOLUNTEER OPPORTUNITIES

Cozy Kits

Fill gift baskets or boxes with items to keep our families cozy during the cold winter months. These could include hats, gloves, fuzzy socks, scarves, lotion, Chapstick, and more!

Coffee, Hot Coca, Tea Kits

Make warm drink kits by adding all the necessary ingredients into a reusable mug or gift bag. Get creative with these kits!

Collect Pantry Items

Contact one of our Volunteer Services Coordinators to find out the current pantry needs of the Houses. Collect items, start a pantry drive or donate what you can to our families this winter.

Build A Snowman Kit

Make a Build a Snowman Kit with instructions for the children staying with us. These kits could include marshmallows and little candies to make the faces.

Provide a meal

One of our biggest needs this 2021 is providing meals for our families. Contact our Volunteer Services Coordinators to find out how you can sponsor a meal this new year!

No-Bake Treats

Donate store-bought no-bake treats for our families this winter. This could include no-bake cookie dough, oreo balls, brownie bites, cheesecake, and microwavable mug treats.
