## Meals That Heal with Chef Jeff

We are so excited to announce our newest addition to our Meals That Heal Program.... Meals That Heal with Chef Jeff!

Our new chef-led program allows groups to prepare and serve meals to our families with ease. Chef Jeff will plan a well-balanced menu and provide all necessary ingredients, plus guide your group through preparing the meal itself. In addition to preparing the meal, those who choose our dinner service option will serve the our families.

Meals That Heal with Chef Jeff is available at our Ronald McDonald House near Egleston, Monday through Friday. To participate, groups donate \$400 to support the program, including the cost of ingredients.

## Fun Fact:

January's flower of the month is the carnation. One of the most unassuming, yet charming flowers, it is known for its delicate petals and plethora of stunning colors. A bouquet of carnations will last longer than any other flower, which fits in perfectly with the cold, tough and hearty month.
