## Our Ronald McDonald Family Room Welcomes back Volunteers!

After a three-year pause because of the pandemic, our Ronald McDonald Family Room at Scottish Rite is thrilled to welcome back volunteers!

Our volunteers are an essential part of our Family Room Program, providing hospitality and much-needed comfort for the caregivers and families of children receiving care in the oncology and hematology unit. If you are interested involved, contact Jamesse Webb at [jamesse.webb@armhc.org](mailto:jamesse.webb@armhc.org)

# Atlanta RMHC Celebrates 44th Anniversary!

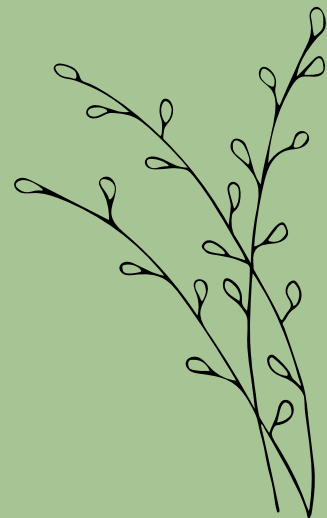

Mark your calendars and join us for our annual **Giving Days on March 9-11** to help us celebrate **44 years** of keeping families close. At Atlanta Ronald McDonald House Charities, we believe all children deserve access to life-saving medical care and heal faster with their families by their side. Without you, we could not have helped thousands of families during the last four decades. The need for our services continues to grow this year.

Our Board of Directors has generously offered to match your gifts so you can double your impact and make a big difference in the lives of families when you give on March 9-11.

## Fun Fact:

March is named for the Roman god of war, Mars. However, we think of it as the beginning of spring, as March brings the vernal equinox, the Full Worm Moon and the return of Daylight Saving Time March 12.
