Global Payments Adopts the Kitchen at Ronald McDonald House near Scottish Rite

Thank you to our friends at Global Payments for generously donating to adopt the kitchen at our Ronald McDonald House near Scottish Rite. On September 22, volunteers from Global Payments visited both Ronald McDonald Houses, provided a meal for our families and assembled hygiene and laundry kits. We are so grateful for Global Payments' generous support and for serving our families in this meaningful way.

Celebrating the Life and Legacy

of Dr. Audrey Evans

March 6, 1925-September 29, 2022

"I still have the ability to do something for the benefit of humanity"

Dr. Audrey Evans

Dr. Audrey Evans, Chief Pediatric Oncologist at Children's Hospital of Philadelphia, is remembered for her groundbreaking research saving the lives of children fighting cancer. She created a plan to test new treatments on dire patients, and to provide housing for out-of-town families seeking care, Audrey went to extreme lengths to save her patients. While working on these treatment option, she collaborated with Philadelphia Eagles and McDonalds to open the first Ronald McDonald House in Philadelphia, allowing all of us to carry on her legacy. Today Atlanta RMHC is grateful to be fulfilling this dream every day.
