HI VOLUNTEERS! HERE’S TO A NEW YEAR WITH NEW OPPORTUNITIES!

After 7 months in the NICU, Alexis Dodson checked out of PDH December 17! Alexis stayed 149 nights with us at Home-2 and PDH. Baby Khloe was discharged from the NICU at Scottish Rite. Mom and baby will be home in time for Christmas and her brother’s birthday!

The new year is like a blank journal, you have the pen in your hand, it is your chance to write a beautiful story for yourself!

We would love to hear about your journey!

**WINTER VOLUNTEER OPPORTUNITIES**

- **Cozy Kits**
  Fill gift baskets or boxes with items to keep our families cozy during the cold winter months. These could include hats, gloves, fuzzy socks, scarves, lotion, Chapstick, and more!

- **Coffee, Hot Cocoa, Tea Kits**
  Make warm drink kits by adding all the necessary ingredients into a reusable mug or gift bag. Get creative with these kits!

- **Collect Pantry Items**
  Contact one of our Volunteer Services Coordinators to find out the current pantry needs of the Houses. Collect items, start a pantry drive or donate what you can to our families this winter.

- **Build A Snowman Kit**
  Make a Build a Snowman Kit with instructions for the children staying with us. These kits could include marshmallows and little candies to make the faces.

- **Provide a meal**
  One of our biggest needs this 2021 is providing meals for our families. Contact our Volunteer Services Coordinators to find out how you can sponsor a meal this new year!

- **No-Bake Treats**
  Donate store-bought no-bake treats for our families this winter. This could include no-bake cookie dough, oreo balls, brownie bites, cheesecake, and microwavable mug treats.
