

# Build a snowman and bring the MAGIC of Giving to our families!

Make a **Family's Holiday Wish** come true! Building a snowman supports the families who call our Ronald McDonald Houses home during the holiday season.

Each snowman accessory offers gift ideas for the children and families staying at our two locations in Atlanta Houses during December.

A **scarf**, a **mitten**, and even a **charcoal button** provides suggestions of food and household items that we use year-round at our Houses and Family Room.

It's as **Simple As Making a Wish...** and adding a good **top hat!**

Assemble your snowman with the downloadable accessories found at **[armhc.org/holiday-wish-list](http://armhc.org/holiday-wish-list)**

Encourage your co-workers, customers, students, members, friends & family to bring purchase items listed on various snowman essentials.

**Deliver new, unwrapped items by Friday, December 17.**

We request that all donations from our Holiday Wish List be new items and unwrapped upon delivery.

We will begin accepting holiday donations on **Tuesday, November 30**, and ask that all donations be delivered by **Friday, December 17**.
