“I can’t thank you enough, my family can’t thank you enough. Your willingness to support and give, helps families like mine, who wouldn’t know what to do or where to go in our situations. From the bottom of my heart, we truly thank you.”

The mission of Atlanta Ronald McDonald House Charities is to transform pediatric healthcare access and experiences for families with ill, injured, or recovering children through a network of Houses, Family Rooms, Care Mobile and community resources.

“I am grateful for Ronald McDonald House for all they’ve done for my family. Each day is better than the last.”

Together, we are strengthening families, keeping them close to each other, the hospital and a strong network of support.

But we cannot do it without you!

Your gifts are essential to providing comfort and support for families while their children receive life-saving medical treatment in Atlanta. With your help, we can ensure all families, 94% of whom cannot afford any contribution toward their stay, have accommodations, meals and easy access to exceptional care.
Atlanta RMHC is a nonprofit with a history of keeping families close. **100% of your donations remain in our community.** A small staff and dedicated volunteers stretch your dollars to make our programs available for families 24 hours a day, 365 days a year.

**Sources of Revenue**

- **80%** The Atlanta Community
- **19%** McDonald’s Operators and Customers

“If it weren’t for the House, this journey would have been so much harder. Out of gratitude for how much Atlanta RMHC helped our family, we decided to join the Hearts & Hands Society and Adopt-A-Room.”
