Our 2022 Impact
Serving 3,181 families through our Ronald McDonald Houses, Ronald McDonald Family Room and Ronald McDonald Care Mobile

Meet some of our families and friends

Ronald McDonald Houses

“Our favorite thing is when there is dinner at the House, because being at the hospital all day is exhausting and that’s one less decision we have to make or place we have to go. We can’t imagine being over an hour away from our daughter. We have so much more peace knowing we can be with her in minutes.”

— TAYLOR RUTKIEWICZ and her husband TRAVIS, are parents to MARIS, and have stayed with us for 182 NIGHTS, while Maris was treated for her Double Outlet Right Ventricle.

Ronald McDonald Care Mobile

“I am thankful that we are able to get everything we need done. I am very appreciative for this service and it was a great experience.”

— SHANIEKA CROWLEY, One of the many parents to take advantage of the Ronald McDonald Care Mobile visits to 10 area McDonald’s to serve 72 children in their communities.

Ronald McDonald Family Room

“You spend all day with this sick little boy, feeling like there’s nothing you can do. But then you walk into the Family Room, and there are other parents feeling the same way. It’s so lovely to be surrounded by people who understand.”

— RONAN O’SULLIVAN, stepfather to SEBASTIAN DUITT, who is battling Acute Myeloid Leukemia.

Volunteers

“I have a history with Atlanta RMHC that goes back to a time when my sister and brother-in-law spent nine months living at the Gatewood House while my niece was being cared for at Egleston. My family has been trying to pay back that kindness for many years.”
