Visitors are required to sign in and display their badges at all times while on the premises. Every attempt will be made to contact you for authorization to allow your visitor access. Visitors should be met and escorted while on the premises.

If you have scheduled visitors or groups for a meeting, their entry can be expedited by giving security advance notice, via e-mail or by calling the Security Center (50911). With a pre-authorized list or name, sign in is not required and visitor badges can be pre-made or assigned.
